The note is written in blue ink and includes the text "Julia", "the very best of you", "of everything you may keep", "Sister Sally Dor", "gayle nisbet", and "donna edgerton". The word "editors" is printed in red at the bottom left. The paper has a yellowish tint and features several black diagonal lines.

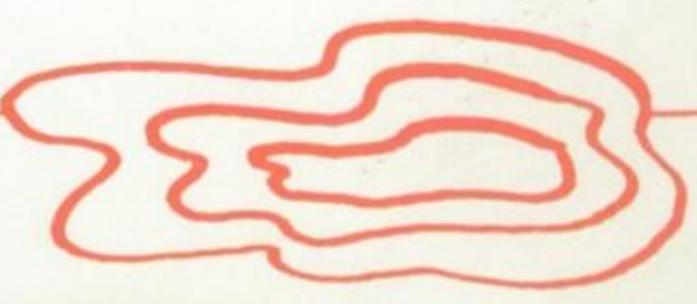

## *nota preliminar*

Our deeds are like stones cast in the pool of time

. . . Though they themselves may disappear, their  
ripples extend unto eternity . . .

Do not steal this brook  
for fear of Heaven,  
your paved Barrier is not  
your name, and when  
you die, the Lord will  
say: "where is that brook  
you stole that day? And  
when you say "I do not  
know", the Lord will reply  
"Please step below"

Guiding our way through the senior year, preparing us for higher education, counseling us in job aptitude and opportunities complimenting us with enthusiasm, lifting us with wit, directing with knowledge, and humanizing these processes with understanding was Mrs. Virginia Morgan, and to her we respectfully dedicate the 1964 La Capa.

Would La Mirada High School gain a reputation for doing well in the many endeavors of its varied educational program? This high hope held out as a goal for the fledgling school could be achieved only as a result of the best efforts of faculty and students.

Now as the class of 1964 becomes alumni, all can look back with pride on the achievements of Matadores. Effort has earned distinction, success and pride. The good habits of hard work and giving of yourselves will continue to earn for you the things in life that are most worthwhile.

# *directors*

Keeping the students in school, masterminding the sports program and causing havoc with school activities were the jobs of the directors this year. Under their leadership the school flourished in a variety of events. Red cuts, tardies, and legal excuses were the primary objectives of Mr. Frank Hayman. Mr. Donald Berberet met sports program deadlines, sold soft drinks at after game dances and presented a well operated sports program to the parents, teachers and student body. Miss Johnna Moore plotted activities, and in her first year as director lost weight and gained seven new gray hairs. All in all the activities were successful and a good time was had by all.

Under the expert supervision of Mr. Cyril Lowe our counselors Mrs. Virginia Morgan (Senior), Mr. Lowell Holiday (Junior), Mr. James Daniels (Sophomore), Mr. Lee Alarid (Freshman), and Mr. James Stavrakes (Freshman) are aware of our problems and have guided us in the right directions.

## *"these are the years that were"*

"Pioneers" is the word that best describes the class of 1964, for we have blazed the trails to many La Mirada "firsts". As frosh in 1961, we became the first class to enjoy all four years on campus. That year our student leaders were Pat Rush, president; Cathy Allabashi, vice president; Eva Sefcik, secretary; and Joann Hill, treasurer. During 1961 LMHS took the Suburban League Sportsmanship Trophy for the first time.

In 1962 we greeted La Mirada's first foreign exchange student, Marie Jamin, from Paris, France. Under the direction of Diane Broadway, president; Gayle Nisbet, vice president; Eva Sefcik, secretary; Cheryl Roosevelt, treasurer; and Cathy Allabashi, social chairman, sophomores saw LM win the League Championships, to go on to CIF in both football and basketball. In 1962 the literary magazine, *Inspiración*, was born and produced its first publication. Sophomore Cheryl Roosevelt became a first, when she qualified for state speech competition.

The following year junior officers were Andor Skotnes, president; Cheryl Roosevelt, vice president; Joan Geismar, secretary; Debbie Fagles, treasurer; Eva Sefcik, social chairman; and Jim Miller, sergeant at arms. During 1963 juniors saw even more firsts: the first Posture Contest with Lee Ann Stout, queen; the first Homecoming dance and game which honored her majesty, Queen Kathy Dixon; and the first matador mascot, Missy Moberly.

Being seniors didn't stop our trail blazing. Under class leaders Andor Skotnes, president; Bruce Cook, vice president; Joan Geismar, Treasurer; Debbie Fagles, secretary; Brent Edmunds, sergeant at arms; Marsha Cline, social chairman; and Leslee Courson, historian even greater firsts were accomplished.

Cheryl Roosevelt became La Mirada's first matador to go abroad as a foreign exchange student, Cheryl also won the CSF Seymour Award. Francisco Boix-i-Masramon, from Barcelona, Spain, became our first male foreign exchange student. Bruce Cook qualified as La Mirada's first Merit Scholarship finalist in 1964. Seniors also christened the first "Youth In Government" month, with Diane Broadway acting as mayor.

An outstanding first was the first Junior-Senior Dinner-Dance Prom, held May 30, at Candlewood Country Club. A hard to repeat first was the 1964 CIF football victories. The LMHS varsity football team won the Suburban League Championship crown and went all the way to CIF finals. Individual student first, include Ron Gastelum and Gayle Nisbet as Boys' and Girls' State representatives and Donna Edgerton as LM's Brotherhood USA, delegate.

As we come to the close of our high school careers, we have received many things: education, above all, and secondly the opportunity to experience our many firsts. It is with this realization of our blessings that the class of 1964 departs in the hope that we can live up to our motto, "We have received . . . now shall give."

"we have received....now shall give"

Dear Paula,  
Time really goes by fast! Remember  
when we first met eight years ago? I  
hope our friendship never ends and that  
we will see each other in the future  
again. May God Give you all the  
happiness and success you deserve.  
You've been a real little sister  
to me, Love Always Gorraine

Dear Paula now where  
shall I begin? Here  
I guess lets see, your  
I really a very ~~sweet~~  
girl not to very nice  
person am I? Well  
original, am I? Well  
anyway ~~ever~~ I'd like  
to wish you the best  
of luck always

## *girls' state*

A week spent at Girls' State is one which is difficult to describe.

Intermingled with moments of fun, and inspiration, were many hours spent in learning, through experience, the fundamentals of our American government.

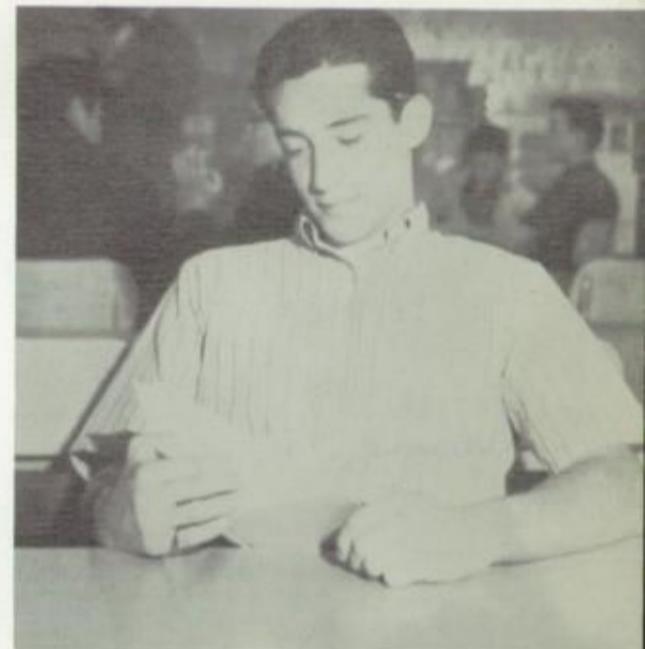

One phrase was repeated again and again throughout my stay. I would like to share it with you and hope that it may be taken to heart:

"American ends with 'I Can'."

## *boys' state*

We learned through participation how to win, lose, laugh, make friends, and enjoy rest. The week, spent at the fair grounds in Sacramento, was one of the most valuable of my life.

Learning the intricacies of state and local government, the elections, campaigns and the filling of offices was an experience that I will never forget.

## *brotherhood*

One of the most exciting and enlightened weeks of my life was spent at Brotherhood U.S.A. Amid the mountains of Idyllwild Pines, California, a group of teenagers spent seven days in a world where racial or religious barriers did not exist. The feeling of real, honest, brotherhood radiated from one end of the camp to the other and lasting friendships were made during that short week.

COACH HAGGERTY

Head coach, Leo Haggerty, who had already led our varsity in two very successful years of football, succeeded in doing so again this year. He and his fine coaching staff, Dick Lindner and George Greenlee, joined forces in giving helpful guidance, teaching good sportsmanship, and setting examples inherent in the competitive spirit. Led by team captains, Darryl Wicker, Brent Edmunds, and Cliff Hancock, our boys fought many hard battles and won many proud victories.

One of the biggest thrills of the season, was our record breaking victory over Sierra. This was the first time in Suburban League history that the Sierra eleven had been beaten.

The mighty Matadors, with an impressive record of 5 wins and no losses, went all the way to become Suburban League Champions and won a well-earned berth in the C. I. F. playoffs.

## *bee football*

The spirited Bee football team, headed by Coach Joe Glascock and Assistant Coach Burt Shaw, found the opponents quite worthy in their league this season.

The record of 3 wins, 4 losses, and 1 tie seems meager for the amount of time and effort put forth by all the team members. Co-captains Dennis Andre and David Ostler played hard and devoted their energies toward improving the caliber of play for next season.

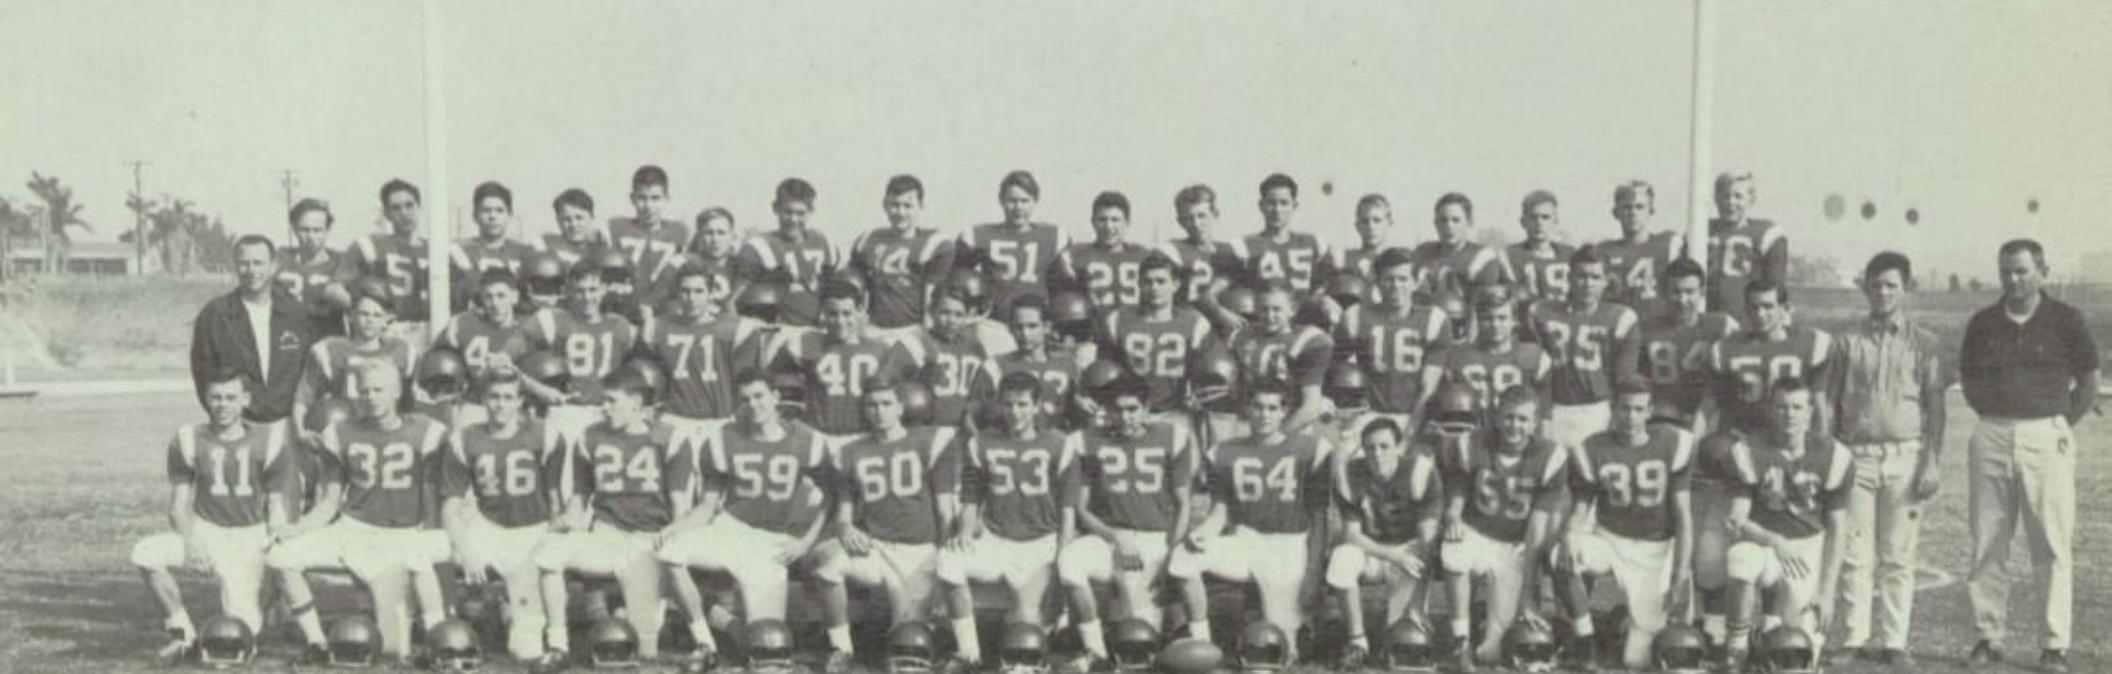

The small but mighty Cee football team under the skillful direction of coaches Stan Thomas and Glen Hollingshead had a very successful season this year. Their record of four wins and one loss is as impressive as the amount of spirit and sportsmanship shown by the team at each game.

*"that's the way the ball bounces...."*

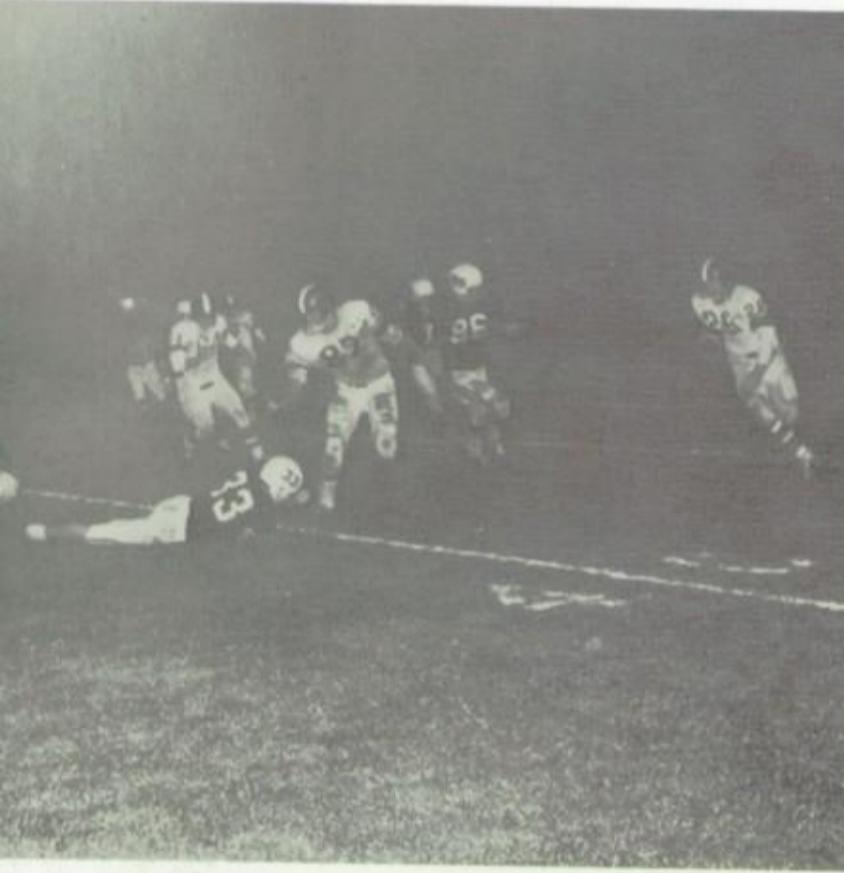

Our mighty Matadores earned their first C.I.F. victory, beating Savanna 19-7.

Then we squeezed by Santa Maria 6-0 for our 2nd C.I.F. victory.

Our battle with fog proved worth it when we mowed down Lawndale 19-15 to claim our seat in the C.I.F. FINALS.

C  
J  
F

Before a crowd of 24,000 our Matadores lost a heartbreaker to Saint Francis 0-7 to become C.I.F. RUNNERUP CHAMPIONS.

Is it possible to combine the qualities of a fine student and a good athlete? We believe it is, but only because we've seen it accomplished on our own campus.

Bob Cody is an excellent student as well as an outstanding track man. In 1963 he was bee high hurdle champion, and remains undefeated in this year's competition. Not only is he a champion, but he also sets an example which the entire team has followed and admired. Bob certainly deserves the honor to be the 1964 Co-Sportsman of the Year.

## *sportsmen of the year*

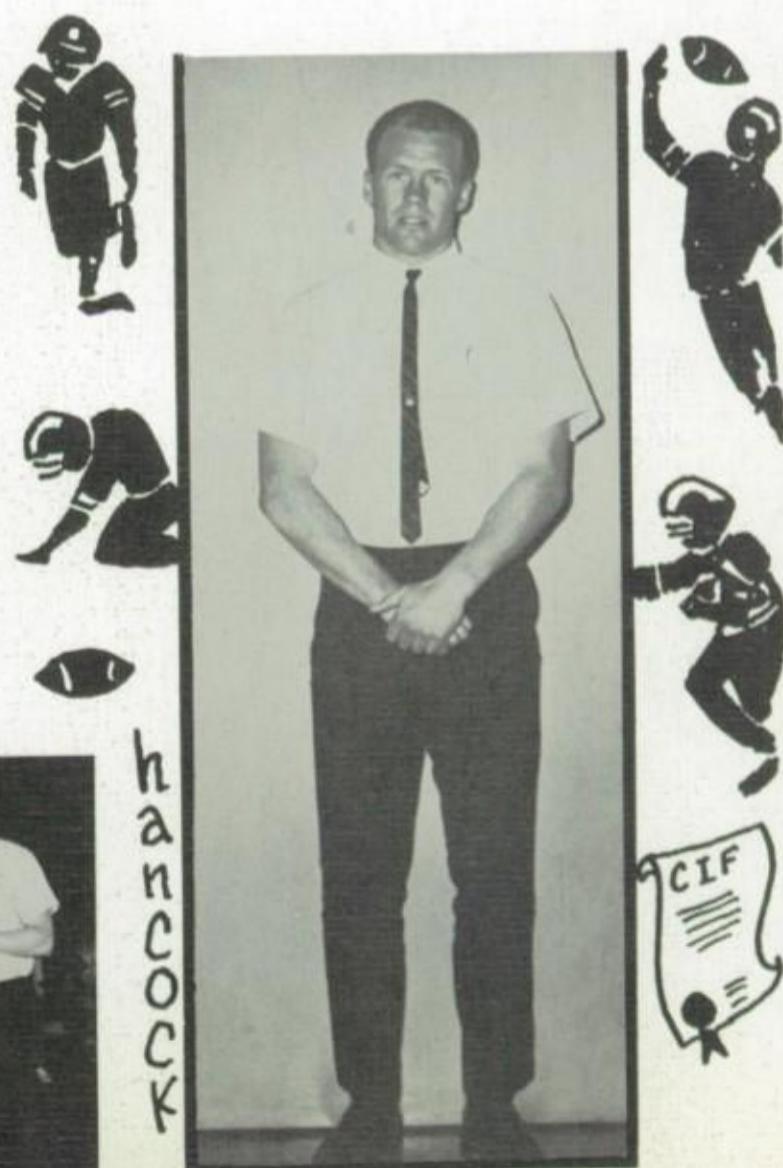

An outstanding member of the Senior class, Cliff Hancock, has proven his leadership abilities on and off campus. As co-captain of the varsity football team, he led the team to victory and a C.I.F. championship with his undying spirit.

Cliff represented the Matadores as All-League lineman of the year. He was further honored by being selected as one of the ends on the CIF Team.

His ability has been greatly respected by the faculty, administration and by his fellow students. Congratulations Cliff Hancock, you've been selected by the La Capa Staff as Co-Sportsman of the Year 1964.

Outstanding in all facets of physical education, Thalia has participated in most of the many sports offered in G.A.A. activities.

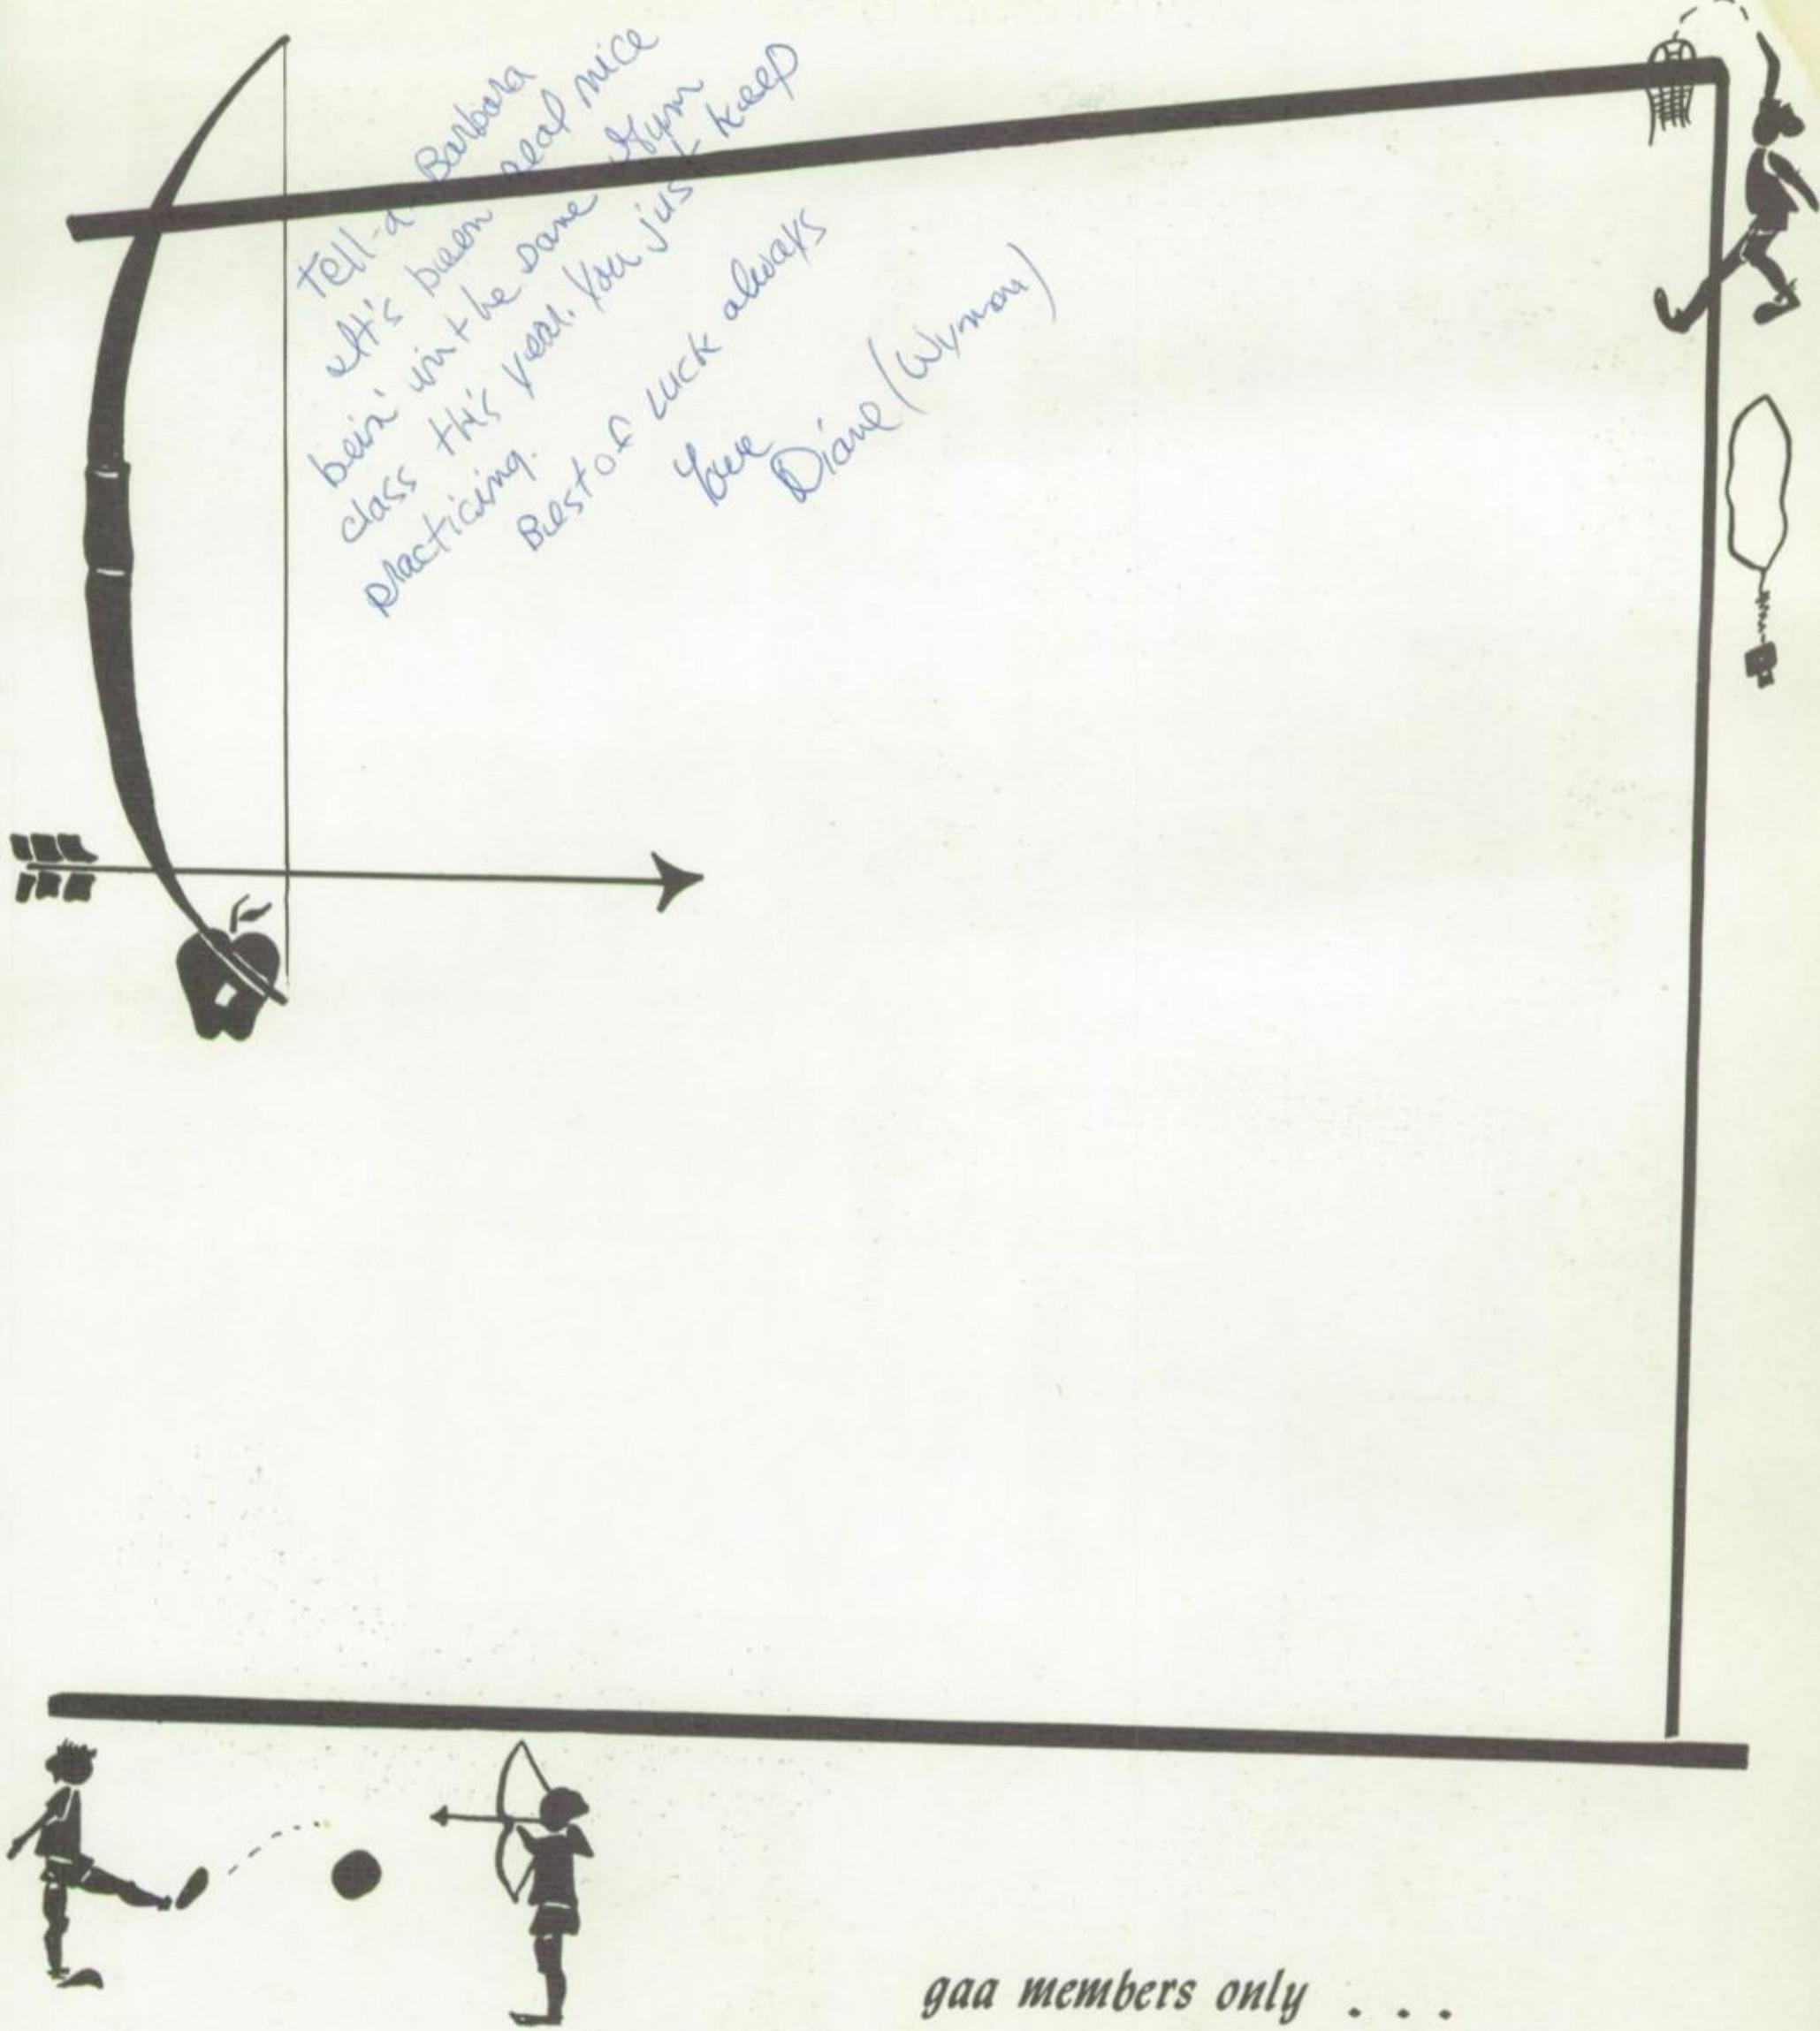

Although unable to take part in a strenuous program of active sports this year, she more than compensated for it by serving the association in whatever capacity she was needed.

As G.A.A. vice president she still found time to work in other organizations as well as to maintain a high academic standing in her class.

Our sincere congratulations to Miss Thalia Kerns.

To the Student Body,

This summer through the A.F.S. Americans Abroad program, I had the exciting and rewarding experience of living as an actual member of a German family. I found that the German people are friendly, outgoing, and very interested in all that I could tell them about America. The warm reception that I received is, I believe, significant and awesome when one remembers that it was not so many years ago that the German people were fiercely despised as our enemies. I sincerely feel that it is through such programs as the American Field Service—where people get to know each other as individuals, realizing that basically all men are alike—that world solidarity can be achieved.

I was proud to represent La Mirada High School and the United States this summer. Thank you all for making the experience possible!

Sincerely,  
Cheryl Roosevelt

## *"el matador"*

Francisco Boix i Masramon, from Barcelona, Spain, brought with him a happy smile and an international bid for understanding. His personality and eagerness to learn have made him a most popular student at La Mirada High School. ## *el toro*

"All the news for all the students" is the motto of our school newspaper, El Toro. It is the sole intent of the members of the staff to live up to this motto. They have achieved this not only by keeping the school informed on all events occurring on and off campus, but also by offering thought provoking editorials which have kept the constant interest of the student body. The staff is under the direction of Mrs. Thelma Gaba, who sees that the El Toro is consistently an outstanding newspaper.

he would  
do it  
in the  
same  
way  
as he  
had  
done  
before  
and  
he  
would

was  
asked  
to do  
it  
again.

To Paula  
Don't let Mike  
read this. I am  
really sorry about all  
the trouble you had  
with Mike. He must like

me to come back with him.
